

Guitar Maintenance Workshop

The **Guitar Maintenance Workshop** is for all levels of guitarists who want to learn how to maintain and care for their instrument.

Guitar teacher **Dave Mattar** will share his knowledge and expertise with you in this “hands-on” workshop.

Topics include:

- String replacement
- Tuning
- Intonation
- Setting up the action
- Adjusting the truss rod
- adjusting pick-up height if applicable
- Discussion of: string gauge, scale length, tuning methods, guitar types, how to choose a guitar, effects of wood types and pickup types on sound, care and maintenance of a guitar, why guitars get better sounding with age.
