The Music Studio offers fun and educational music classes for children 6 months to five years of age in the comfort of your daycare. Our classes follow an early childhood music program designed to integrate with your current daycare activities and - *put a smile on each child's face!*

Songs

- Carefully selected songs that reflect everyday activities and routines.
- Catchy songs that teach direction, parts of body, opposites, participation, letters, numbers, colour, shapes and more!
- Storytime songs by popular authors such as Eric Carle and Dr. Seuss.

Movement

- Children learn to copy action, interpret sound and wiggle away!

Instruments

- Children play a variety of percussion instruments including shakers, hand drums, bells and xylophones.
- Children learn simple notation, time and rhythm.

Benefits for Daycare

- An enjoyable, educational experience for your daycare.
- An affordable way to enhance your weekly program.
- We supply the instruments and materials for each class.
- We come to you!

Benefits for Children

- Enhances skills such as coordination, literacy and language.
- Stimulates brain activity and increases memory.
- Fosters self-expression, achievement and discipline.
- Encourages interaction and participation.
- Promotes happiness and reduces stress.

Classes are offered at a pace that is suitable for the children in each class and can be adapted for those who have special needs. Classes can be customized and organized by age group. You may arrange a weekly or bi-weekly class schedule.

Teacher: Shelby Lynn is an honours graduate of Humber College's music program. She is a creative songwriter, performer and teacher. With over 15 years experience, Shelby brings a fun and natural approach to her teaching, paying particular attention to building skills using traditional and original songs. Throughout the years, Shelby has developed inspirational music programs, which include interactive musical games, sign language, and instruments.
